18in Single Drive Round Floppy Cable - Blue

StarTech ID: FDROUNDBL

This Blue 18in round floppy cable is designed to fit as a new or replacement cable in almost any size of computer case. The floppy drive cable features a rounded design as opposed to a flat ribbon design, providing your workstation with increased airflow capabilities and easier access to internal computer components.

Applications

- Rounded floppy cables can be used anywhere in place of flat ribbon cables
- Fits all 3.5" Floppy Drives

Features

- Connects any 3.5" floppy drive to your controller with the Molded Round Floppy Drive Cable
- Easier to install than flat ribbon cables
- Floppy drive cable design reduces internal cable clutter for a clean, professional look
- Reduces heat by allowing more air flow inside your case
- The flexibility of the floppy cable makes them easier to install and fasten down with cable ties
- Labeled pull-tabs for easy identification and safe handling
